

BRADENTON COUNTRY CLUB BRINGS PICKLEBALL TO THE COMMUNITY

Bradenton Country Club is proud to announce Pickleball to their amenities. A celebration party and exhibit will be held Saturday, December 2nd starting at 3.30 to commemorate the six courts recently built.

"The sport is simple to learn, and beginners are often playing on their own by the end of one lesson. Pickleball is a fun game of shot placement and patience, not brute power or strength, which is one reason why it appeals to players of all ages", according to Jack Steyn, Bradenton Country Club's Tennis Director.

For a limited time, Bradenton Country Club is offering ½ price initiation fees on all membership categories. Take advantage of our new Social Membership, that includes Tennis and Pickleball for only \$250 a month. Mention this article and receive a special gift when you join.
